Father’s Day Gift Guide | Top 10

Quick! It’s Father’s Day this weekend, get online and get the big man something, but what?
Here, I’m a Dad I’ll give you hand. I’ve been sent 10 different products to have a look at and here’s what I think about them, for full product details click the linked titles. There’s surely something here for your old man too.

Items 1-4 if your Dad is a geek like me.
Items 5-8 for trendy Dads that haven’t quite let themselves go yet.
Item 9 for those stereotypical Dad Dads, not me!
Item 10 is something EVERY Dad should receive this Father’s Day. Quite frankly, if you don’t get him one you’re kinda saying Mum is your favourite...

1 - Speedlink AXON – Computer Mouse
I’m using this right now and it’s easily the best mouse I’ve used. How to be fair there’s not much I need from a mouse. Even when I’m on my laptop I prefer to use a mouse than the trackpad. This AXON feels amazing. A really comfortable rubber feel and the clicks are nice and soft, if that’s a good description?! I’m a bit of a geek so this type of thing is right up my street.
It’s promoted as a Silent & Antibacterial Mouse. Noise reduction, optical sensor, 1.5m cable and has an Antibacterial coating too! There’s 5 buttons and a scroll thingy...Massively useful to me and has immediately taken the place of my other mouse I’ve used for a couple of years now. If Dad’s always at the computer then get him one of these he’ll appreciate it.

Fathers Day Gift Guide 2017

This year Father's Day falls on Sunday 18th June, which is pretty soon and because I know a lot of people find it hard to know what to get for Dad I have compiled a few ideas. The great thing is the list contains many items if you have a small budget and a few that are a bit more higher priced.

Cards

When it comes to cards than Hallmark have you sorted with their wide selection. With a wide range of cards suitable for all types of Dads you will find one you like. They even stock some great pop up cards.

Toiletries/Grooming

If you are looking for a budget item to include in a hamper than why not check out these face masks from 7th Heaven especially for men. Each mask retails at £1 and so makes a great little gift. Face masks don't just have to be for women.

To keep your Dad smelling nice this Father's Day why not purchase this fab beer soap for £5 this is a great little gift to add to a hamper or as a little something. The team at Meantime HS have certainly raised the bar with this soap. Made from the capital's favourite Pale Ale, it's ideal for the ultimate beer lover.

The Cheesy Yet Brilliant Gifts

Personalised Chocolate Gift Card

I love this one! This card has “despite what mum says, I think you’re great, lots of love *name* x”. I have to be honest, I didn’t even realise chocolate gift cards were a think before I spotted this and I’m really glad I’ve found it! When the girlfriend’s birthday comes around I will certainly be buying one!
